All bills payable net sixty days from date of invoice with discount 2% ten days, 1% thirty days.

For cash in advance a 3% cash discount is allowed.

Interest at the rate of six per cent per annum shall be charged on accounts from the date of maturity.

All prices are for goods in nursery, packing extra.

PRICES subject to change without notice.

The articles herein listed will be furnished in accordance with the following schedule:

1 to 4 plants of one kind and size will be priced at the Each Rate.

5 to 24 plants of one kind and size will be priced at the ten rate.

25 or more plants of one kind and size will be furnished at the hundred rate, when hundred rates are given.

200 or more plants of one kind and size will be furnished at the thousand rate, when thousand rates are given.

SPECIMEN PLANTS. Specimen plants, selected by the customer or by his representative, will be priced according to their individual values.

CAUTION. We accept all orders upon condition that they shall be void should injury befall stock from frost, fire, hail storms or other causes over which we have no control.

GRADES. We grade carefully by standards of American Association of Nurserymen; in some cases by caliper; in others by height. When graded by both caliper and height, the caliper must govern.

CLAIMS. No claims for rejections or deficiencies will be entertained unless made within ten days after arrival of goods.

TRUCK DELIVERY. When the size of the shipment warrants, we are in a position to arrange for direct delivery by truck in bulk at reasonable rates.

Where customers wish to send their own trucks for bulk loading, it is advisable to give us three or four days advance notice, so that we may have the material ready when the truck arrives and avoid delay.

Care should also be taken that all trucks carry sufficient tarpaulins to properly cover the stock.

PACKING will be done in the best possible manner, and charged for at the cost of material used. Boxes and bales delivered free of charge to all railway stations. After goods are delivered to forwarder in good condition our responsibility ceases.

UNKNOWN PURCHASERS must accompany their orders with cash or satisfactory reference.

GUARANTY. We give no warranty, expressed or implied, as to quality, description, productiveness of any nursery stock that we sell. The only guarantee that we make is that our stock is alive at time of shipment and true to name. No complaints will be considered that are not made forthwith upon receipt of order. Any stock ordered from this list found untrue to name, will be cheerfully replaced at the first favorable opportunity for planting, after it has been found not as ordered.

REFERENCE

For those who do not know us we refer to any bank or business house in Geneva, the Commercial Agencies, and the leading nurserymen of the United States.

—NOTICE—

All goods sold by us are sold f. o. b. point of shipment, and while in transit are at purchaser's risk. We feel it is our duty to emphasize the fact that we do not insure the safe delivery of goods and that the title of any goods sold by us and consigned to the purchaser or consignee designated by purchaser passes to the purchaser upon delivery by us to the carrier at point of shipment.

And we desire to make it clear to the trade that the Railroad Company's receipt relieves us of all responsibility, and any claim for damage should be made immediately to the agent at the point of delivery.
